

Central Valley Wye

Join Us At A Community Open House Meeting

The California High-Speed Rail Authority (Authority) invites you to attend a community open house meeting to learn more about the proposed alignment alternatives under consideration and the next steps for the Central Valley Wye. This meeting follows up on previous open house meetings held in January 2015, and will provide information on the addition of the proposed State Route 152/Road 11 alignment alternative.

The Central Valley Wye is located near the City of Chowchilla and will serve as the junction for the high-speed rail system connecting San Jose to Fresno, San Jose to Merced, and Merced to Fresno. These connections will allow travelers to reach destinations in the directions of San Francisco, Sacramento, and Los Angeles.

This open house is an opportunity for you to ask questions and provide input regarding the alignment alternatives that will be studied as part of the Merced to Fresno Project Section: Central Valley Wye Supplemental Environmental Impact Report/Environmental Impact Statement. Your feedback is important and will allow us to take your concerns into account as part of the decision-making process.

Please Join Us: Community Open House Meeting

Chowchilla Fairgrounds, Little Theater

December 8, 2016

5:00 p.m. – 7:00 p.m.

1000 S. Third Street
